Devon likes Pokémon cards, webkins (stuffed animals), and he enjoys playing and watching sports.

Devon has a good sense of humor, he can make someone smile pretty easily.

Routine and structure is a must for Devon. Devon struggles educationally and behaviorally. Devon is easily victimized and needs someone who will protect him at all cost.

Devon will require experienced parents with a lot of patience. His adoptive parents will need to have time to deal with his behaviors and willingness to help him with his educational needs.
